Applicant has filed a United States National Application, date of filing December 2, 2004. The entire delay in filing the United States National Application from the deadline of November 1, 2004 until the filing of this grantable petition under 37 CFR 1.137(b) was unintentional.

The Applicant has now met all the requirements of 35 U.S.C. 371 and 37 CFR 1.495 by filing the necessary documents and paying the requisite fees. The Commissioner is hereby authorized to charge the fees associated with this communication to Simon, Galasso & Frantz Deposit Account No. 50-1259 under Reference No. 1590.00002.

Applicant request that the United States designated Office excuse the delay and to maintain the effect of the international application. Applicant respectfully requests that the United States national application be revived and reinstated. Applicant has fulfilled all the conditions/acts required for entry into the United States national phase as specified in the United States national law, including this Petition for Revival within the time limit as required by this national law.
